Newcastle Residents Encouraged to "Shop Local"

On Saturday, December 13, Newcastle residents are invited to join in a day of fun and community spirit while shopping locally to support area businesses. The Rotary Club of Newcastle will hold its Santa Parade that day. Events kick off at noon in the QFC parking lot with Santa posing for pictures with the kids. At that same time, members of the Newcastle Elementary School chorus will be singing holiday carols to make the festivities even brighter. The group of 3rd, 4th, and 5th graders will perform all across the downtown area from noon to 1pm. The Santa Parade itself proceeds through the west side of town from 1:30pm to 3:30pm. The east side of town gets its turn from 5pm to 7pm. All Newcastle residents are encouraged to come downtown to show their support for local businesses, the Rotary Club, and the Newcastle Elementary School chorus.
